## Tropo Market Update and Changes from 1 Aug 09

- Market bookings and enquiries will now only be done over the internet at [www.troppomarket.com.au](http://www.troppomarket.com.au) or via email to [tropporay@live.com.au](mailto:tropporay@live.com.au).
- Phone bookings and enquiries will not longer be taken or responded to.
- Cancellations are required at least 24 hours prior to the market or any booking fee will be forfeited and any ongoing booking of the sites cancelled.
- Site fees will be increased to \$15 per site for undercover and remain at \$10 per site for outside and under the ramp on the northern end – with no discount available for more than one site due to the extremely high demand and often wasted space with small stalls spread out over 2 or more sites.
- We will not be able to offer parking next to your site due to the space involved. However, there is ample parking outside the undercover area (see attached map).
- Stall holders are to park their vehicles in the areas marked on the attached map, not in the upper section of the under cover car park or on the upper deck – this is reserved for customers to the markets.
- There are limited sites with power so these need to be booked quickly – first in best situated – 6 only.
- We can offer open air sites for those of you that need to be outside, but these are limited to 40 sites.
- As the parking lots are already marked, we are offering resized sites. All sites are 2.6m wide x 5m deep (13sqm) – a double site would be 5.2m wide x 5m deep (26sqm).
- Bigger sites (up to a maximum of 4) are available depending on demand. Please ask when you apply or confirm your booking.
- There is plenty of headroom so you will still be able to set up your gazebos should you wish, however you won't be able to drive tent pegs through the tarmac (undercover or outside) so may need weights or sand bags to hold them down if it is windy.
- A single fire door to the Shopping Centre on the upper deck will be open, via the stairwell at the right of the lower main entry, and the toilets will be available to the public and stall holders.
- ATMs are nearby on the upper deck so the public will have access to cash.
